

Word Is Life Deliverance Church

Fundraising Guidelines

The ongoing ministries of The WILD Church are financially supported through the church budget. However, at times additional funding may be required for specific projects, trips or ministries which are not covered by the church budget. The purpose of The WILD Church Fundraiser Guidelines are to ensure that our fundraising activities are consistent with our tax-exempt status; to avoid overburdening the congregation with requests for money; to ensure that our church resources are focused on the highest priority needs and consistent with the approved church budget; and to uphold The WILD Church's vision, mission and values.

All Word Is Life Deliverance Church fundraisers must be approved by the Board of Elders before they will be allowed to be communicated to the church and/or to the public. Please fill out the attached application and submit it to the church office. The Board of Elders will then review the application at their next business meeting and give a response to the request. Be sure to plan ahead since the Board of Elders meets just once each month.

Any activity that is not church-sponsored such as direct-market sales, individuals raising monies or benefits for groups not connected with The Word Is Life Deliverance Church, etc. will be carefully screened.

Individuals may privately sell items or raise funds that are not church-sponsored (such as Girl Scout cookie sales) one-on-one, but no table setups or other displays will be permitted. As long as these individual activities are conducted with good judgment, no approval is needed.

Please remember that fundraising should never overshadow the practice of Biblical stewardship.

At the end of your event, please fill out the Fundraising Report Form and turn it into the church office.

Thank you and blessings as you spread the Good News of Jesus!

Where Jesus is Lord and you are loved!
